January Newsletter - Dolton

Director's Desk

Elise Cole-Rogers, Site Director

Happy New Year! We hope you all enjoyed a wonderful winter break and time with your families.

January is the month when we celebrate the arrival of winter! The children will get to enjoy some more beautiful January snowfalls and will undoubtedly spend time in school creating snowy artwork, reading snowy tales of children, animals in winter, and singing snowy songs.

We will continue to go outside to play whenever possible. Please send your child to school with extra clothes for cold weather. Please feel free to reach out to your child's Teacher or your Family Engagement Specialist if you have any questions or concerns regarding clothing.

For many of us, the New Year provide us with an opportunity to reflect on the previous twelve months and to consider what we have learned, and what we would like to do going forward. It is a time for new beginnings and new commitments.

Let's not forget our goal which is to help foster in children a sense of competency and self-esteem, which we here at Dolton believe is the foundation upon which future academic success is built.
