

# March Newsletter - Chicago Heights

## Director's Desk

**Marquita Jackson, Interim Site Director**

Hello parents, families, and friends—the month of March has arrived! I would just like to thank the parents for all their support, hard work and dedication to the Chicago Heights Early Learning Program. Last month, the parents decorated the doors and bulletin boards and put together a nice feast which was wonderfully done. The teachers and other support staff really appreciate you and like what you're doing, so keep up the good work and once again thank you!

As the seasons change please dress your child with the appropriate clothing. Remember to provide an extra change of clothes that will remain in your child's cubby (sweater, jacket, hat etc.). When the weather permits, the children will continue to go outside for gross motor activities. In addition, please remember to contact your Family Engagement Specialist to update your family assessment and goals progress. If you have any questions, please feel free to stop by or call 708-365-1523.

Parents, you are always welcome to volunteer in the classroom. There are so many wonderful things going on so stop by take a look and lend a helping hand. We also welcome you for "Coffee Café "during the hours of 8:45-10:15 a.m. daily for great conversations, sharing ideas, and networking.
