February Newsletter - Harvey

Director's Desk

Renee Boyd-Jennings, Site Director

Even though February is the shortest month of the year, it is also one of the busiest. Time flies when you're having fun here at Harvey Early Learning! We take very seriously the commitment to providing high level, quality care to your children.

We also enjoy engaging with our parents and children for Parent Night. It is all about you having fun with your child! With that being said please join the Harvey Early Learning Center for dancing, activities, fun, and games at their Winter Ball. You will be informed of the next Family Fun Night.

We are in the cold winter months when local school districts may close due to weather, please be aware that we will close whenever South Holland School District 151 closes. Make sure to watch the local news coverage to see the school closure updates, or call 708.365.5610 for daily updates by 6 a.m.

Please make sure to dress your children appropriately for the cold weather this winter season. Thanks in advance for your attention in this matter.
