January Newsletter - Ford Heights

Director's Desk

Janet Parker, Site Director

Well, it's hard to believe that 2019 is already upon us. December was filled with lots of holiday fun and a wealth of knowledge about the different holiday celebrations. January will bring even more excitement!

Please check with your Family Support office staff about updating emergency phone numbers for your family file. Because of the holiday, our parent meeting is scheduled for January 10, 2019 at 9:00 am.

Special thanks to parents that participated in our first Family Fun Night, we can't wait to see and meet new families at our next Family Fun Night!

Change of clothes: The weather can be brutally cold in January and all children should dress appropriately for the season. As the weather changes, we will be following the guidelines for children outdoor fun time. Remember to provide extra clothing to be kept in your child's locker; pants, socks, underwear and a long-sleeve shirt. As the weather permits, children will continue to go outdoors for gross motor activities two times per day according to the classroom schedule.

What's new at Ford Heights Early Learning Center: I will like to send a special "thank you" to the University of Illinois Extension for introducing our parents and children to a nutrition program that has enhanced their knowledge about healthy eating habits it has been a wonderful experience for all of us!
